CGPA: 7.9 / 10

PROFESSIONAL SUMMARY

Security-focused CSE student specializing in penetration testing, vulnerability assessment, and SOC operations. OSCP certified. Participated in 15+ CTF competitions. 1 internship at a security operations center.

EDUCATION

B.Tech — Computer Science and Engineering

2021 – 2025

JNTUH College of Engineering, Hyderabad

TECHNICAL SKILLS

Security Tools	Burp Suite, Wireshark, Nmap, Metasploit, Nessus, OWASP ZAP
SIEM Platforms	Splunk, IBM QRadar, Microsoft Sentinel
Languages	Python, Bash, PowerShell, C
Areas	Web app pentesting, network security, incident response, malware analysis
Frameworks	OWASP Top 10, MITRE ATT&CK, NIST CSF, ISO 27001
OS	Kali Linux, Parrot OS, Windows Server

WORK EXPERIENCE

SOC Analyst Intern — Wipro CyberSecurity,
Hyderabad

Jun 2024 – Aug 2024

- Monitored and triaged 50+ security alerts daily using Splunk SIEM.
- Performed log analysis and correlated events to identify 3 confirmed threat incidents.
- Contributed to incident response runbooks and documented remediation procedures.

PROJECTS

Web Application Penetration Test — DVWA

- Performed end-to-end pentest on Damn Vulnerable Web App identifying SQL injection, XSS, and CSRF vulnerabilities.
- Documented findings in professional penetration testing report (CVSS-scored).

Network Intrusion Detection System

- Built IDS using Snort rules to detect port scans, DoS attacks, and ARP spoofing on a lab network.

Malware Analysis — Static and Dynamic

- Analyzed 5 malware samples in FlareVM sandbox. Identified C2 communication patterns and IOCs.

CERTIFICATIONS

- OSCP — Offensive Security Certified Professional (2024)
- CompTIA Security+ (2023)
- Google Cybersecurity Professional Certificate (Coursera, 2023)
- CEH — Certified Ethical Hacker (EC-Council, 2024)
